

## Who Will Benefit From The Immune Zoomer?

The **Immune Zoomer** focuses on the early immune signals that shape how you feel today and how your health progresses over time. It brings together tissue-specific autoantibodies from multiple organ systems into one organized profile, making it easier to see where immune stress is emerging.

These insights support proactive, personalized plans to calm inflammation, protect vulnerable tissues, and strengthen long-term immune resilience.

## About Vibrant Wellness

**Vibrant Wellness** is a leading CAP-accredited biotech company based in Santa Clara, CA. We deliver life-transforming lab testing that enables health and wellness providers to discover the root of patient health issues.

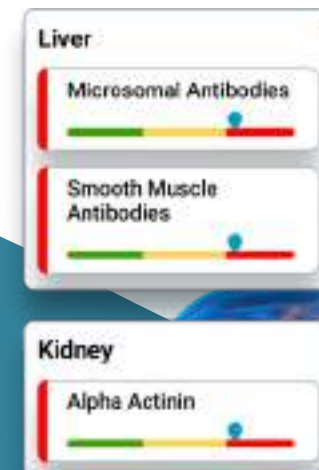

We're at the forefront of modern medicine and research, providing personalized health analytics using cutting-edge, high-quality technology. We believe that anyone can achieve better health and vibrant longevity through individualized solutions based on testing—not guessing.

Advanced Lab Testing for  
*Personalized Longevity*

### Regulatory Disclaimer

Please note the information provided by Vibrant Wellness is intended solely for informational purposes to help inform lifestyle choices aimed at potential risk mitigation. The information is not intended to be used by the patient for any diagnostic purpose and is not a substitute for medical advice by a healthcare practitioner. Please consult a licensed healthcare practitioner for any questions regarding diagnosis, prevention, or treatment of any disease or health assessment. The tests were developed and their performance characteristics determined by Vibrant America and Vibrant Genomics, laboratories certified under the Clinical Laboratory Improvement Amendments (CLIA) and accredited by the College of American Pathologists (CAP). The tests have not been cleared or approved by U.S. Food and Drug Administration (FDA). For information on tests available for use in New York State under New York State Department of Health (NYSDOH) requirements, please visit the Vibrant website.

# Symptoms of Immune Dysfunction

## Symptoms Include:

- Unexplained Fatigue Or Brain Fog
- Recurring Joint Pain Or Stiffness
- Ongoing Muscle Weakness
- Persistent Skin Rashes
- Bloating, Reflux, Or IBS Symptoms
- Suspected Malabsorption
- Thyroid Symptoms Or Antibodies
- Blood Sugar Swings
- Numbness, Tingling, Or Burning
- Dry Eyes Or Dry Mouth
- Symptoms That Flare And Remit
- Dry Eyes Or Dry Mouth

# Why Is This Test Important?

- Measures broad autoimmune patterns like ANA, dsDNA, and chromatin markers to clarify whether immune activation may be contributing to how you feel.
- Evaluates TG, TPO, GAD65/67, and islet cell antibodies to show whether the immune system is influencing hormone balance.
- Measures parietal cell antibodies, ASCA, intrinsic factor-related markers, and celiac-associated antigens to identify immune-related digestive issues.

# The Immune Zoomer Tests For:

- Systemic Autoimmunity
- Endocrine And Metabolic Autoimmunity
- Joint, Muscle, And Connective Tissue
- Neurological And Sensory Tissues
- Gut And Intestinal Immune Activity
- Vascular And Immune-Signaling Markers

# The Vibrant Wellness Advantage

- ✓ **Simple testing with robust results.** Perform the Immune Zoomer test in the comfort of your home, or work with your provider to find a convenient testing center.
- ✓ **Unparalleled specificity and sensitivity.** Our proprietary technology detects:
  - Critical biomarkers like Thyroglobulin (TG) and SmD
  - 60+ tissue-specific antibodies across thyroid, joints, nerves, gut, skin, vessels, and systemic pathways
- ✓ **Validated and accredited.** Science-backed testing and analysis based on rigorous, ongoing research by clinical experts.
